

Shown at right is a quick snapshot from Mr. Imperatrice's classroom.

While it may seem like we have lots of extra stuff going on, the core of Liberty High School is still in the classroom. This is a U.S. History class. Shown in front of Mr. Imperatrice is Julian Vasquez and Dustin Campbell. **Please remember that the 2nd grading period ends on Friday, October 31.**

Benchmark exams are on Wednesday and Thursday, the 29th and 30th.

Shown at left are our 3 AP Scholars, Adrian Plata, Lauren Nielsen, and Abheet Brar. These 3 students all passed multiple AP exams with a score of 3 or better. In addition, these 3 students are also in the top 5 of the Class of 2009 AND we extracted them from AP Calculus for the picture!!!

Shown to the right is a snapshot of our Percussion and Guitar group practicing between classes. The percussion group is an outstanding group to watch perform! The center of the picture shows senior James Everk on guitar.
